

FLUID HANDLING INDUSTRY ANNOUNCED TRANSACTIONS 2011

Global Equity Consulting, LLC

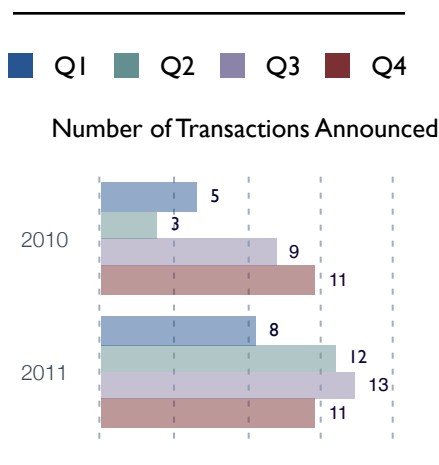

Market Report Winter 2012

February 2012

Global Equity Consulting LLC and City Capital Advisors have compiled a list of pump industry transactions announced in 2011

Deal Activity Level

The transaction listing presented shows a dramatic increase in deal activity in 2011 over 2010: 44 deals in 2011 compared to 28 the prior year, a 57% increase. As shown below the deal activity ramped up significantly starting in the third quarter of 2010, and was basically steady throughout 2011 at that level.

Most Active

The most active acquirers in 2011 with multiple announced transactions were:

- Colfax Corporation
- Dover Fluid Management
- Flowserve Corporation
- HMS Group
- ITT Corporation
- Sulzer Ltd.

Transformational Deals

Deals that appear to fundamentally change the size, market scope or nature of the core business:

- Colfax acquisition of Charter International
- Dover Fluid Management acquisition of Harbison-Fischer
- HMS Group IPO
- ITT spin off of water related and defense businesses into separate standalone companies.
- SPX acquisition of ClydeUnion Pumps
- Sulzer acquisition of Cardo Flow Solution

Other Notable Deals (+ \$250m)

- Lufkin acquired Quinn's Oilfield Supply
- National Oil Well Varco acquired Ameron International
- Pemira acquired BakerCorp
- Pentair acquired Clean Process Technologies
- Wärtsilä acquisition of Hamworthy
- Wood Group sale of Well Support Division to GE Oil and Gas

FLUID HANDLING INDUSTRY MERGER & ACQUISITION ANNOUNCED TRANSACTIONS 2011

Company	Deal	Announce Date	Comments	Terms	Estimated Transaction Value
Artificial Lift Co.	Secures private equity funding from Lime Rock Partners	June 2011	Artificial Lift Co. (ALC) is a Houston based provider of rigless electric submersible pump solutions to the oil and gas market in the U.S., the Middle East and North Africa. The capital support from Lime Rock Partners will enable ALC to expand more rapidly into other markets.		
Atlas Copco	Acquires JC Carter, LLC	February 2011	JC Carter produces cryogenic submerged motor pumps for liquid natural gas regasification and liquification and natural gas liquid processing. 2010 sales were approximately \$25 million.		
AxFlow	Acquires Chemo-Invest Specialpumpar	May 2011	The acquisition of Chem-Invest Specialpumpar makes AxFlow the largest distributor of PD pumps in Sweden with a product portfolio that includes: Hermetic, Waukesha, Lewa, Maag, Richter, Habermann and Schmidt pumps.		
AxFlow	Acquires TM-Palvelu Oy	June 2011	The acquisition of TM-Palvelu Oy strengthens AxFlow's pump maintenance and after sales service in Finland for power plants, liquid terminals, chemical plants and pulp and paper mills.		
Carver Pump	Acquires Delta P Systems, Inc.	July 2011	Delta P Systems, Inc. based in Ormond Beach FL. Manufactures water booster pump systems.		
Colfax Corp.	Acquires Rosscor Holding BV	February 2011	Rosscor Holding is a supplier of multiphase pumping (MPP) and related technologies for the oil & gas market worldwide. Rosscor sales for 2010 were approximately \$31.5 million. Rosscor has approximately 70 MPP installations.		
Colfax Corp.	Acquires Charter International plc	September 2011	Charter's Howden division will complement and extend Colfax's existing fluid handling business. Charter's ESAB welding and cutting solutions business will become the foundation of a new growth platform for Colfax.	Cash and stock £7.30 per share in cash and a fixed ratio of 0.1241 Colfax common share per Charter share	\$2.4 billion
Crane ChemPharma Flow Solutions	Acquires WT Armatur GmbH & Co KG	July 2011	WT Armatur manufactures bellows sealed globe valves and specialty change-over valves.		\$38 million
Dover Corp. Fluid Management Segment	Acquires Harbison-Fischer Inc.	January 2011	Down-hole rod pumps and related equipment for the oil patch. HF 2011 sales were estimated at \$160 million. Dover expects the transaction to be accretive to 2011 earnings per share.		\$402.5 million
Dover Corp. Fluid Management Segment	Acquires Oil Lift Technology Inc.	October 2011	Based in Calgary Alberta, Canada Oil Lift Technology designs and manufactures progressive cavity pump products within the artificial lift market. The acquisition provides Dover Fluid Management with an expanded product line and enhanced technical service capabilities to meet customer's artificial lift needs.		
Dover Corp. Fluid Management Segment	Acquires Tianjin RedScrew Pump Manufacturing Technology Co Ltd.	November 2011	The RedScrew Pump brand includes twin and triple screw pumps with patented technology, as well as multiphase and specialty pumps for a range of markets including oil and gas, petrochemical and marine.		\$402.50 million
Ebara	Sold Hydro Turbine business to Voith Fuji Hydro	April 2011	Ebara will now focus on its fluid machinery equipment business: pumps, compressors, turbines, refrigerators and chillers. Ebara will continue to produce hydraulic turbines for power recovery outside electric power generation such as reverse osmosis desalination and reverse pump hydraulic turbines.		
Flowserve Corp.	Acquires FEDD Wireless LLC	April 2011	FEDD has developed proprietary technologies in wireless data acquisition, transmission and integration and manufacturers sensors, transmitters, receivers, and intelligent repeaters. The technology is an enabler for asset data management and optimization services.		\$1 million
Flowserve Corp.	Acquires Lawrence Pumps Inc.	October 2011	Lawrence is a manufacturer of highly engineered critical service centrifugal pumps used primarily in the petrochemical and oil and gas industries. For 2011 Lawrence expected sales of \$50 million and EBITDA of approximately \$10 million.	Cash	\$89.0 million
Franklin Electric Co.	Acquires 80% share of Impo (Turkey)	March 2011	Impo is a manufacturer of groundwater pumping systems with annual sales of approximately \$25 million.		\$25.0 million
Gardner Denver Inc.	Acquires Robuschi SpA	October 2011	Robuschi manufactures blowers, pumps and associated packages for a number of end markets including wastewater, mining, power generation and general industrial applications. Annual revenues are €70 million (\$97.0 million).		€152 (\$228 million)
Garlock Sealing Technologies LLC	Acquires ONE-UP Pump Diaphragm business from WL Gore	August 2011	GST will continue to exclusively use Gore's PTFE material to manufacture the ONE-UP family of products.		
Greenbriar Equity Group LLC	Acquires Ryan Herco Flow Solutions from Morgenthaler Private Equity	April 2011	Ryan Herco is a distributor of corrosion-resistant fluid handling, filtration and flow control products in the U.S. and Asia. RHFS has 27 distribution centers in the U.S. and one in Singapore.
